Veteran's Day Projects

Many BCAP students volunteered in preparing poppies, three enormous paper quilt flags, and many cards for service members and their families. Items were brought to the VA Hospital, the Fisher House, the Weymouth Veteran's Affairs, and the American Legion in Newton. We have some pictures on our white board by the attendances. We also received a very nice thank you card from the VA.

NPS Early Release Days

There are no NPS lunches available on early release days. If your child is enrolled in BCAP on an early release day (about every 5 weeks Thursdays/Wednesdays), we will expect him/her. This includes Kindergartners.

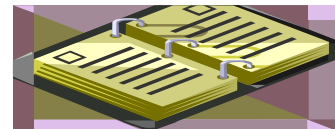

Child Absences

Don't forget to **call** the program when your child will be absent or his/her schedule has changed. A fee is assessed when you do not call BCAP to let us know of absences or  change of plans.

BCAP Social Programming

BCAP follows the Responsive Classroom® Social Programming curriculum which is, "Based the premise that children learn best when they have both academic and social-emotional skills." The RC approach consists of a set of practices that build academic and social-emotional competencies. BCAP focuses on incorporating the following practices into our program: Meeting Time, Rule Creation, Interactive Modeling, Positive Teacher Language, Working with families, Collaborative problem-solving, and Logical Consequences. More information on RC can be found on their website:

Responsiveclassroom.org.
