Olympics

Our Olympics begin on Monday, March 19. Each day there will be events during the 12:30-3:00pm K-time and during the 3:00-6:00pm afterschool time. Events will begin at 3:45pm (1:45 and 3:15pm on early release days). Large team events will begin between 4:15/4:30pm and end no later than 5:15pm. As a member of a team your child will have the opportunity to participate in a number of events.

Each day your child's team meets to decide who will represent the team in the events of the day. We try to make the events meet as wide a range of abilities/interests as possible. Some days children will be chosen to participate in an event s/he volunteers for, other times the coach will assign children to events. Sometimes a child might not be chosen to participate in events on a particular day, but will be expected to cheer on teammates who are participating in those events.

We emphasize 1.team spirit, 2.cooperation, 3.friendly competition, and 4.trying new things and meeting new friends.

If your child chooses not to participate in our Olympics or decides to drop out from the team during the week s/he cannot return to the team.

The Olympics has continued to be one of our most popular special activities. We look forward to having a great ten days.
