PICKING UP and SIGN OUT

BCAP spaces (including the playground) can get pretty loud throughout the day! Sometimes it may be easier and quicker for you to find your child rather than having the teacher in the room call for him/her on the walkie talkie. If it is nice out, at the beginning and end of the day we are usually at the playground.

But... Don't forget to sign your child out of the program. When a child is not signed out the responsibility for tracking them down falls on the staff.

IF... The sign out sheets are not at the white boards the BCAP teachers have them and will sign your child out.

NO SCHOOL LUNCHES

There are no school lunches available on Tuesdays and NPS early release days. Even if you read it in a calendar/ menu, there is not a lunch program at BCAP.

Releasing Children

If you register your child for an outside class (NCE, dance, soccer, etc.) Department of Early Education and Care does not allow us to release your child under the age of 9 without an adult accompanying him/her.

If your child is under the age of 9 and attends outside activities, you will have to arrange for your child to go directly from school to this event, or designate an adult to pick him/her up from BCAP.

Please do not call the program directing BCAP teachers to get your child ready for any outside practices, classes, or events. BCAP teachers are very busy throughout the day so unless it is an emergency, we cannot accommodate these types of requests.

Absences

You must to call or write BCAP a note if your child will not be attending the program or his/her pick up plans have changed. Our phone number is:

617 965-1518

The charge if BCAP staff have to call a parents when a child is missing is \$10.00.

Change of Clothes

If you think that your child needs an extra change of clothes at the program, please put the clothes in a plastic bag labeled with your child's name, and give to us. If your child has to borrow clothes from BCAP, please be sure to return them.

Tom Update

Tom is settling in at home and making strides. He is accompanying his wife on shopping trips and went on a hike last weekend. Unfortunately he continues to have trouble with his vision, making it very difficult to read. He becomes nauseated while riding in a car, so he won't be able to visit us as soon as he/we had hoped. BCAP children and teachers did make him a scrapbook and the first graders recorded a CD of the song, "All You Need Is Love". We sent it to him on Friday. Take a look below:
