PICKING UP and SIGN OUT

BCAP spaces (including the playground) can get pretty loud throughout the day! Sometimes it may be easier and quicker for you to find your child rather than having the teacher in the room call for him/her on the walkie talkie. If it is nice out, at the beginning and end of the day we are usually at the playground.

But... Don't forget to sign your child out of the program.

When your child's attendance form is not at the white board, it means that a BCAP teacher has it and we will be responsible to sign him/her out.

Absences

Don't forget to call or write us a note if your child will not be attending the program or his/her pick up plans have changed. Our phone number is:

BCAP Welcomes Penn State

Tomorrow and Wednesday we will be welcoming two visitors from Penn State. BCAP was selected to be featured as a model program for our Social/Emotional Learning and Bully Prevention initiatives and programming. Most 3rd-5th grade children will possibly be filmed and one or two may be interviewed and/or asked to be in a role play scenario. If you haven't signed the release, please do so today.

This visit does not involve Kindergartners-2nd graders.

Questions About BCAP

Most questions you may have can be answered by accessing the **FAMILY HANDBOOK** on our website, Communityafterschool.org.

Update on Tom McLaren

Most BCAP 2nd-5th grade families know Tom. For those who do not know Tom, he was BCAP's Program/Kindergarten Coordinator. He worked at BCAP for 23 years. In July, 2018, he was involved in a serious vehicle collision. Miraculously, Tom survived and through intensive rehabilitation, is recovering.

This year Tom helped with the room cleanup, setup, etc. At this point in his recovery, Tom hopes to visit us once or twice per month, but has told us that he is not able to return to the program at least in the foreseeable future.

Bug Spray and Sun Screen

BCAP staff are not allowed to apply any bug spray or sunscreen to a child. If you wish, you may send either or both of these in (just let us know) and we will provide time for your child to apply them. We cannot have any aerosol sprays at BCAP, so lotions and hand pump sprays only.

Change of Clothes

If you think that your child needs an extra change of clothes at the program, please put the clothes in a plastic bag labeled with your child's name, and give to us. If your child has to borrow clothes from BCAP, please be sure to return them.

Tuesdays

Every TUE your child will need to bring a lunch to BCAP. Regardless of any menus that you may see, there is no school lunch on TUESDAYS and early release days.

Tuition

Tuition is based on 37 weeks of school, not the months of school. Tuition payments begin July 25 and end April 25. Unless your child's schedule has changed, your tuition payment is the same amount every month. Checks can be dropped off at the program (we have a black mailbox at the exit door) or sent to:

BCAP, PO Box 66273, Newton, 02466.
